Prison terms for multiple charges, even if consecutive sentences are not mandatory, may be imposed consecutively by the Court.

Court costs, restitution and other financial sanctions including fines, day fines, and reimbursement for the cost of any sanctions may also be imposed.

I understand that if I am now on felony probation, parole, under a community control sanction, or under post release control from prison, this plea may result in revocation proceedings and any new sentence could be imposed consecutively. I know any prison term stated will be served ~~with~~ good time credit, if earned by Defendant pursuant to ORC 2967.193.

In addition, a period of supervision by the Adult Parole Authority after release from prison is ~~optional~~ mandatory in this case.

If I am sentenced to prison for a felony 3 that is an offense of violence and is not a felony sex offense, I will have mandatory post release control of 3 years pursuant to R.C. 2967.28(B)(3).

If I receive prison for a felony 3, 4, or 5, I may be given up to 3 years of post-release control pursuant to R.C. 2967.28(C).

If I am sentenced to prison for a felony 3 that is not a felony sex offense and I caused or threatened to cause physical harm, I will have mandatory post-release control of up to 3 years pursuant to R.C. 2929.14(D)(1) and R.C. 2967.28(C).

A violation of any post-release control rule or condition can result in a more restrictive sanction while I am under post release control, and increased duration of supervision or control, up to the maximum term and re-imprisonment even though I have served the entire stated prison term imposed upon me by this Court for all offenses. If I violate conditions of supervision while under post release control, the Parole Board could return me to prison for up to nine months for each violation, for a total of $\frac{1}{2}$ of my originally stated prison term. If the violation is a new felony, I could receive a prison term of the greater of one year or the time remaining on post release control, consecutive to and/or in addition to any other prison term imposed for the offense.

Community Control. If this Court is not required by law to impose a prison sanction, it may impose community control sanctions or non-prison sanctions upon me. I understand that if I violate the terms or conditions of a community control sanction, the Court may extend the time for which I am subject to this sanction up to a maximum of 5 years, impose a more restrictive sanction, or imprison me for up to the maximum stated term allowed for the offense/offenses as set out above.

I understand the nature of these charges and the possible defenses I might have. I am satisfied with my attorney's advice and competence. I am not under the influence of drugs or alcohol. No threats have been made to me. No promises have been made except as part of this plea agreement stated entirely as follows:

*PR2
AN* **The Defendant will plead guilty to Amended Count 1 of the Indictment, being Possession of Marijuana in violation of Ohio Revised Code 2925.11(A) and 2925.11(C)(3)(f), to wit: more than 20,000 grams but less than 40,000 grams, a felony of the second degree.**

*APPLIES
X* **The parties agree and stipulate to the mandatory 5 years incarceration at the Ohio Department of Corrections.**

The parties are free to argue sentencing to include penalty, fines, restitution or forfeiture.

I understand by pleading guilty I give up my right to a jury trial or court trial, where I could confront and have my attorney question witnesses against me, and where I could use the power of the court to call witnesses to testify for me. I know at trial I would not have to take the witness stand and could not be forced to testify against myself and that no one could comment if I chose not to testify. I understand I waive my right to have the prosecutor prove my guilt beyond a reasonable doubt on every element of each charge.

By pleading guilty I admit committing the offense and will tell the Court the facts and circumstances of my guilt. I know the judge may either sentence me today or refer my case for a pre-sentence report. I understand my right to appeal a maximum sentence, my other limited appellate rights and that any appeal must be filed within 30 days of my sentence. I understand the consequences of a conviction upon me if I am not a U.S. citizen. I enter this plea voluntarily.
